

## Keep your home clean and sparkling!

Dust on the window sills, Crayon on the walls, grime on the tables, icky fingerprints on the ... why did they even touch that?!

Ever notice that there seems to be a different cleaner for every different job you want to tackle in your home? You've got dusters, grease cutters, wood cleaners, metal cleaners, you name it. It will make your head spin to walk down the cleaner aisle. And it will make your wallet scream in pain.

You don't have to choose. Charlie's Soap Indoor/Outdoor Surface Cleaner or Kitchen & Bath Household Cleaner will get it done. A little squirt is all you need. If it's really dirty, Charlie's Soap can clean it, period, end of story. That's what we call a short solution to a long problem, and it's why we call Charlie's Soap ...

**The GREEN.** 97% biodegradable in just a month (Japan Food Research Labs)  
Your family will be safe because of our non-toxic formula.

**That CLEANS.** Nothing cleans as thoroughly as Charlie's Soap. (SGS Testing Labs)  
Targets the stains, not the surface. Will not damage surfaces.  
No gloves or masks required. Safe for your skin.  
Use on any washable surface.  
It rinses away completely. (Clemson University School of Textiles)

**For walls, hard chairs, tables, furniture of any material, fireplaces, and other surfaces:** Use *Charlie's Soap Indoor/Outdoor Surface Cleaner*.

1. Apply to surface conservatively.
2. Allow to sit and work its way behind grease and grime.
3. Rinse thoroughly with a sopping wet sponge, wet towel, or wet chamois.

**For tables, chairs, leather furniture, walls, counter tops, window sills, any surface with light soil where rinsing is not an option:** Use *Charlie's Soap Kitchen & Bath Household Cleaner*.

1. Apply Kitchen & Bath to surface conservatively.
2. Allow Kitchen & Bath to sit briefly and work its way behind grease and grime. Do not let it remain for a long period on painted or stained surfaces as it will treat the paint or stain as dirt to be removed.
3. Wipe off with a dry or slightly damp cloth.

**For spots on fabric furniture:** Use *Charlie's Soap Indoor/Outdoor Surface Cleaner*.

1. Wet the area
2. Spray *Charlie's Soap Indoor/Outdoor* once on the spot.
3. Let it sit for a few minutes
4. Agitate with a stiff brush.
5. Add water and extract with a wet/dry vacuum.
