

Rediscover your floors and carpets!

Dust, mud, grass, drinks, candles, hors d'oeuvres, pet “presents” and everything else -- your floors catch it all. Ever notice that there seems to be a different cleaner for every different floor in your home? You've got one for hardwood, carpet, linoleum, laminate and more. It can make your head spin to walk down the cleaner aisle. And it can make your wallet scream in pain.

Now you don't have to choose. Charlie's Soap Indoor / Outdoor Surface Cleaner gets it done. A little goes a very long way. If someone or something tracked dirt in, Charlie's Soap can clean it, period -- end of story. And that's what we call a short solution to a long problem. Charlie's Soap is:

The GREEN: 97% biodegradable in just a month. (Japan Food Research Labs)
Your family and pets will be safe because of our non-toxic formula.

That CLEANS: Nothing cleans as thoroughly as Charlie's Soap. (SGS Testing Labs)
Targets the stains, not the surface. Will not damage your floors.
No gloves or masks required. Safe for your skin.
It rinses away completely. (Clemson University School of Textiles)

To spot clean carpets

- Wet the stain with water.
- Spray Indoor / Outdoor Surface Cleaner full strength **once** directly onto the spot.
- Let it sit for a few minutes (the longer the better).
- Agitate with a stiff brush to work up a lather.
- Add water and blot up with towel or use a wet/dry vacuum.

Carpet shampooing

- Use 1/2 the amount your carpet cleaning machine calls for when using Charlie's Soap Indoor/Outdoor.
- In a 1 gallon Rug Doctor rental machine, use ¼ cup Charlie's Soap Indoor/Outdoor (max).
- No rinsing required.

No-wax hard surface floors (sealed or unsealed hardwood, tile, linoleum, laminate):

- Mix a solution of 1 Fl. Oz. of Charlie's Soap Indoor/Outdoor per gallon of water in a bucket.
- Spray trouble spots conservatively with full strength Charlie's soap Indoor/Outdoor.
- Mop as normal. No rinsing required.
