

Kitchen & Bath Household Cleaner

Charlie's Soap Kitchen & Bath is specially designed to be the safer alternative for all your sticky, grimy daily household chores.

- Safe for all washable surfaces: countertops, stovetops, ovens, floors, tubs, showers, walls, tile, stonework, sinks, toilets and more.
- Hypoallergenic for those with sensitive skin. No gloves necessary.
- Non-toxic & completely biodegradable.
- Perfect for cleaning grease oil, wax, blood, mildew stains, food stains, red wine, grass, soap scum and poop.
- No harsh abrasives, lye, phosphates, bleach dyes or cheap perfume

How to best use Kitchen & Bath Household Cleaner:

- Apply Kitchen & Bath directly on surface to be cleaned.
- Allow it a bit of time to safely break the bonds between the soil and the surface. Charlie's Soap was made to gently remove dirt, not blast it off.
- Wipe down with a dry or damp cloth.
- Repeat if necessary.

Don't miss out on using this fantastic cleaner and the chance to save money while protecting the environment.
