

Laundry Liquid

Charlie's Soap Laundry Liquid is a revolutionary approach to total laundry care. Because clean clothes feel better, smell fresher and last longer, Charlie's Soap was made to *remove* dirt and odors; not cover them up.

Born in the textile Industry, Charlie's Soap Laundry Liquid was formulated to safely and gently clean all the way to the fiber of *any* fabric. It rinses completely away, leaving nothing behind except the fabric as the manufacturer intended. Colors remain vibrant, softness stays luxurious, and performance characteristics remain completely intact.
