### Keep your home clean and sparkling!

Dust on the window sills, Crayon on the walls, grime on the tables, icky fingerprints on the ... why did they even touch that?! Ever notice that there seems to be a different cleaner for every different job you want to tackle in your home? You've got dusters, grease cutters, wood cleaners, metal cleaners, you name it. It will make your head spin to walk down the cleaner aisle. And it will make your wallet scream in pain.

You don't have to choose. Charlie's Soap Indoor/Outdoor Concentrated Surface Cleaner gets it done. A little squirt is all you need. If it's really dirty, Charlie's Soap can clean it, period, end of story. And that's what we call a short solution to a long problem.

Charlie's Soap is:

- ✓ CLEAN.
  - Nothing cleans as thoroughly as Charlie's Soap. (SGS Testing Labs)
  - Targets the stains, not the surface. Will not damage surfaces.
  - No gloves or masks required. Safe for your skin.
  - Use on any washable surface.
  - It rinses away completely. (Clemson University School of Textiles)
- ✓ GREEN.
  - 97% biodegradable in just a month (Japan Food Research Labs)
  - Your family will be safe because of our Non-Toxic formula.
- ✓ GUARANTEED.
  - We believe in only making products that work well.
  - Use as directed and your life will never be cleaner.

Thank you for considering Charlie's Soap. We feel confident that you have made the right choice. We are here if you have any questions. Let me take a moment to explain how to use Charlie's Soap for many jobs around the house.
